

Unlocking Australia's Digital Talent Pipeline

Caroline McDaid WorkVentures CEO

**Talent is
evenly
distributed.**

Access is not.

We do not have a device shortage We have a systems gap

1 in 5 Australians
digitally excluded

First Nations
exclusion is **2x**
national average.

1.4 million young people lack
an educational devices

16 million
corporate
devices are
refreshed
every 5 years

from device refresh

to national impact

1

Device donation

Secure collection and inventory management

2

Certified Refurbishment

Data wiping, software imaging, hardware repairs and quality assurance testing

3

Community Distribution

Devices provided with digital skill development and technical support

Infrastructure, not charity

WorkVentures
social inclusion through technology

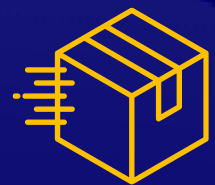

Good Things
Foundation

A collaboration built on experience

98% of program recipients report improved well-being and opportunities

120K
Devices

Distributed to
communities in need

2M
People

Supported with
free digital skills

6000
Partners

community organisations
across Australia

50,000 +
Device Recipients

Supported by Westpac
donations since 2022

**1 Million device
pledges by 2030**

**Join us to build social
infrastructure for the
digital age.**

**Let's talk about
integrating redistribution
into your lifecycle.**
